

■UD Trucks provides sales and service of both UD Trucks and Volvo Trucks

As of January 1st, 2010 UD Trucks Corporation absorbed Volvo Nippon K.K., which engaged in import and sales of Volvo Trucks' products in the pursuit of further enhancing synergy with Volvo Groups.

From February 2010, the domestic sales and marketing division of UD Trucks Corporation supports the business activities of all 9 authorized Volvo truck dealers and 56 authorized service dealers throughout Japan. In addition, sales activities for Volvo trucks targeted at major fleet customers also launch through UD Trucks Japan Corporation, the domestic sales subsidiary of UD Trucks Corporation
