UD Trucks Essential Service Agreement

At UD Trucks, our aim is to keep your business on the road and ultimately maximise your profits.

Know your costs today and in the future

A UD Trucks Essential Service Agreement offers your business total cost control, making it easier to achieve your target income and healthy profit margin. There are no surprises or unexpected expenses, just a simple fixed* monthly cost that you know in advance.

During a routine maintenance service, UD Trucks aim to identify and inform you of any necessary repairs before expensive damages occur.

Ultimate convenience

A UD Trucks Essential Service Agreement means you can spend less time maintaining your fleet and more time running your business and making a profit. With less service administration and everything available under the one roof, UD Trucks keeps your convenience in mind by providing the right service at the right time.

To learn more about service agreement options for your Heritage truck, contact your local UD dealer.
